Two Sessions
8:30 – 12:00
1:30 – 5:00

Enjoy the benefits of **FREE** electronic filing of your Shipper's Export Declarations (SEDs) via the Internet using AESDirect or its windows based desktop PC component, AESPcLink.

These workshops include an overview of the Automated Export System and AESDirect, hands-on PC training and filing sample SEDs via AESDirect and AESPcLink. **(You may bring samples of SEDs filed by your company for practice.)** We conclude the workshops with the Certification Quiz that gives a company full certification.

Upon certification, you begin filing your SEDs electronically through AESDirect.

We prefer participants be familiar with using the PC and an Internet browser and be pre-registered and have an AESDirect user name and password prior to attending the training session.
